

**PROGRAM**  
**of a webinar «Joining forces through the FSC toolkit for responsible forest management»**

**21 March 2023**

**Objective** – informing about the current situation related to FSC certification in Ukraine and possibilities for engaging stakeholders through its tools to support responsible forest management.

**Participants** – representatives of non-governmental organizations, scientific and educational institutions, state forest management bodies and FSC FM certificate holders.

**Information for participation:** participants will receive a link to join the online event after registering at <https://links.fsc.org.ua/210323> (registration is open until March 20, 2023).
